

TRIDENT

ECO

Harness *the* intelligent
power *of the* Trident ECO

WATERCO
water, the liquid of life

The Trident ECO robotic pool cleaner: Specially designed to save water, lower energy bills and reduce chemical costs, the Trident ECO robotic pool cleaner is considered one of the most economically efficient cleaners on the market. Compact in design and lightweight in size, its superior cleaning efficiency means you no longer have to endure the daily hassle of manually cleaning your pool.

Effortless operation

- Top-access filtration system – easy to remove and clean
- Lightweight and easy to handle
- Fast, debris-free water release

Crystal-clear cleaning results

- Active brushing action, scrub away algae and bacteria
- Effective, easy-to-use fine filtration system
- Efficient dirt collection - collects fine and rough debris

Peace of mind

- Proven reliability – made by Maytronics, the leader in robotic pool cleaners
- Rapid service and repair

Water Saving

Water Saving

Trident ECO effectively removes sediment, algae and bacteria, reducing the quantity of debris the filter system collects. This in turn eases filter maintenance and cleaning, and the quantity of refills of water into the pool.

Energy Saving

Energy Saving

Trident ECO robotic pool cleaners use just a fraction of the resources consumed by other pool cleaning systems. Trident ECO operates on only 100 watts of power – about the same amount of energy as one halogen pool light.

Chemical Use reduction

Chemical use reduction

Less filter maintenance and cleaning basically means less water and chemical loss. Not only that, but Trident ECO also helps with water recirculation and enhanced chemical distribution – further reducing pool chemical use.

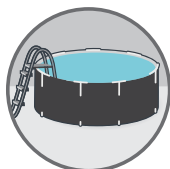

Trident ECO Product Specifications

Ideal Pool Length	Ideal for small pools up to 8m in length Including above-ground pools
Cycle Time	1.5 hours
Filtration	Easy-clean net canister
Brushing	Active brush spins at 2 x the speed of the robot, resulting in enhanced all-surface cleaning
Power Supply	Industry-leading energy efficiency
Cable Length	12 m
Weight	6.3 kg
Warranty	24 months

Trident ECO

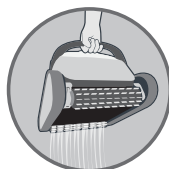

The Trident ECO is a lightweight, small robotic pool cleaner that is ideal for all types of small pools, including above-ground pools.

Also for above-ground pools

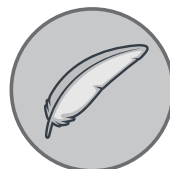

Easy-Clean net canister

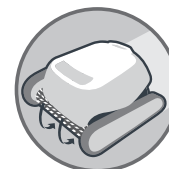

Quick water release

Fast fix - easy repair

Lightweight easy to lift and handle

Active brushing effective scrubbing and cleaning scrub away algae and bacteria
